- ↗ 6150 mm

About the Heavy 27 (curved)

Curved textile frames add a subtle and elegant atmosphere to a room. These frames became increasingly popular in the last years. A textile frame with a rounded shape catches the eye immediately when hung in a room, even if it contains a subtle print. The Heavy 27 is an extra-strong, single-sided profile, which is attached to the wall or suspended from the ceiling.

The advantages

- ✓ A sturdy, curved textile frame
- ✓ As a circle, cylinder and curved
- ✓ Wall and ceiling mounting
- ✓ Three standard colours

Heavy 27 Curved textile frame

Mounting

Wall-mounted

Wall mounted frames with just one textile.

Attached to the ceiling

Frames suspended from the ceiling. Both horizontal as well as vertical suspension is possible.

Shapes

Circle

An eye-catching and distinctive alternative to a standard textile frame.

Cylinder

The advantage of a cylinder is that it is visible from all sides.

Curved

Ideal as an impressive backdrop at trade fairs.

Stabilizers

Stabilizers

In order to guarantee the stability of the frame, stabilizers must be placed in the frame. This way the construction is sturdy.
