About the Lightbox Double 160 (curved)

A double-sided curved profile for illuminating textile prints. The textile print is illuminated from the back with LED pre-mounted on a dibond plate. Wide-angle lenses create an even light distribution. The frame is suitable for wall mounting and suspended solutions.

The advantages

- ✔ Double-sided curved LED frame
- ✔ Available as a circle
- ✔ LED technology: LED on Dibond
- ✔ Two-year warranty

Lightbox Double 160 Curved LED frame

Mounting

Wall-mounted

Wall mounted frames with just one textile.

Attached to the ceiling

Frames suspended from the ceiling. Both horizintal as well as vertical suspension is possible.

Finish

Closed

An even finish. If desired, holes can be drilled in the profile so that accessories can be attached.

Shapes

Circle

An eye-catching and distinctive alternative to a standard textile frame.

Lightbox Double 160 Curved LED frame

Illumination

LED on Dibond

• Even light distribution due to backlighting

• Suitable for small and medium sized frames
